O'LEVEL PROGRAMME

O' Levels are a standard UK qualification usually taken at the age of 15+. O' Levels provide a foundation for further study and are available in a wide range of subjects covering the whole curriculum. GACS students take the O' level examination administered by Cambridge Assessment International Education (CAIE).

OBJECTIVES

- To initiate O'level classes from grade-VIII and by successfully completing the program at year - 10, bring it on the same timeline as the local SSC Examination
- To offer career counseling services to the advantage of each student to tap future goals

O'Level Subjects

In Pakistan, the following subjects are compulsory at GCE O-level: -

1. English
2. Urdu
3. Islamiat
4. Mathematics
5. Pakistan Studies

In addition at least three subjects from any one of the groups below are studied:-

Science Group	Commerce Group
<ul style="list-style-type: none">• Physics• Chemistry• Biology/Computer Science• Additional Mathematics	<ul style="list-style-type: none">• Economics• Principles of Accounts• Business Studies• Information and Communication Technology (ICT) / Computer Sc

GACS library is well stocked with wide range of books, periodicals, examination reports and study materials. The science laboratories for Physics, Chemistry, Biology and Computer Science are fully equipped with all the requisite facilities which are upgraded on continuous basis.

To promote co-curricular activities the students are motivated to join different societies operating under four houses: Unity, Faith, Discipline and Tolerance. The competitions are initially held at campus level and the winners are fielded for regional and inter-regional competitions. Elections for students' council are held annually. "Sunup", is GACS's news bulletin. The students have 'color/theme day' once a month. The canteen offers snacks and stationery.

Academically, our CAIE results for O' level are 'second to none'. The faculty is experienced and highly competent. We are here to ensure that studying at GACS means getting educated with style and grace. We facilitate students to **Go** and **Achieve** through **Challenge**, the **Success** they want. We are **GACS**. We look forward to welcoming you.

Entrance Test for O'Level will be held on 26 March 2018.

Venue: GACS

Timings: 0830 hrs
